SIR:

In the NOTICE OF ALLOWABILITY accompanying the NOTICE OF ALLOWANCE of June 30, 2004, corrected drawings pursuant to a NOTICE OF DRAFTSPERSON'S PATENT DRAWING REVIEW attached to the Notice was required in #6. However, no NOTICE OF DRAFTSPERSON'S PATENT DRAWING REVIEW accompanied the NOTICE OF ALLOWABILITY, and it was not listed as an Attachment to the NOTICE OF ALLOWABILITY. In addition, it is noted that no such NOTICE OF DRAFTSPERSON'S PATENT DRAWING REVIEW is listed as having been prepared in the PTO PAIR listings.

As the drawings initially filed appear to fully comply with the requirements for formal drawings, it is believed that the #6 Corrected Drawings indication in the NOTICE OF ALLOWABILITY was simply a misplaced mark, and that no box in #6 should have been marked. If this is not true, please contact the undersigned as soon as possible so that whatever drawing correction is necessary can be explained and accomplished as soon as possible.

A confirmation that no drawings requirements are outstanding is also solicited.

Respectfully submitted,

Date: 13 July 2004
